

GDPR Privacy Policy for the Association of Master Trainers in the LEGO®SERIOUS PLAY® Method

This privacy policy explains how we use any personal information we collect about you when you contact us or use the seriousplay.training website. We collect information about you when you register on the website or contact us through the online contact form. Website usage information is collected using cookies.

The information that we collect includes: Name, e-mail address and phone numbers. We collect information about you to share resources, and to e-mail you regarding questions you have asked or about other programs and meeting we think may be of interest to you. The mails may come directly from the Association or one of the trainers in the Association. If you are a certified facilitator, and have agreed at the time of your certification, we shall pass on your personal information to LEGO Company. We do share your information for marketing purposes with companies.

If you are a certified facilitator and will participating in a community meeting we may send your details to the venue of such a meeting. If you no longer wish to be contacted for by the Association or one of it 's trainers, please contact us. You can mail directly to the trainer in question or the Association on trainer@seriousplay.training. We want to make sure that your personal information is accurate and up to date. You may ask us to correct or remove information you think is inaccurate, either by mail directly to the Association or one of the trainers. You have the right to request a copy of the information that we hold about you.

If you would like a copy of some or all of your personal information, please email on the above mail, or contact us by post at the registered address of the Association: Porcelaenshaven 3N, 2000 Frederiksberg, Denmark. Our website at times contain links to other websites. This privacy policy only applies to our websites so when you link to other websites you should read their own privacy policies.

We keep our privacy policy under regular review and we will place any updates on this webpage. This privacy policy was last updated on 28 May 2018.
