

SINGAPORE TOGETHER

EMERGING STRONGER
CONVERSATIONS
USING
LEGO SERIOUS PLAY

GROUND-UP INITIATIVE

OBJECTIVES:

- Reflect and learn from our experience
- Share our aspirations for a resilient, post-COVID Singapore society
- Share how we can work together to create a better future
- Open to all Singapore Citizens and PRs

YOUR STORIES
MATTER

Activity 1

Open the box and find:

A black/grey plate

the LEGO mini figure

Activity 1

Build a tower on your own (4 minutes):
You can only use **GREEN** and **ORANGE** bricks

Start with the
black/grey plate

Finish with the
LEGO mini figure on
top

SHARE A FEW WORDS

....about your Tower

reflection

Activity 2

Build a “COOL”
or “STRANGE”
looking vehicle
using 20 bricks

Activity 2

Modify Your Model to share
"What is one expectation you have of this session?"

SHARE THE MEANING

.... of your model to your group

reflection

Activity 3

Build a model and share a **story or moment during Circuit Breaker that inspired or concerned you about Singapore**

SHARE THE MEANING

.... of your model to your group

reflection

Activity 4

Build a model of the
OPPORTUNITIES or CHALLENGES
you observe in our society from our COVID-19 experience?

Activity 4

Build another round...

SHARE THE MEANING

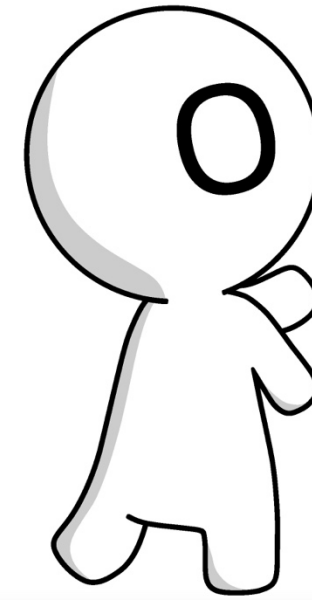

.... of your model to your group

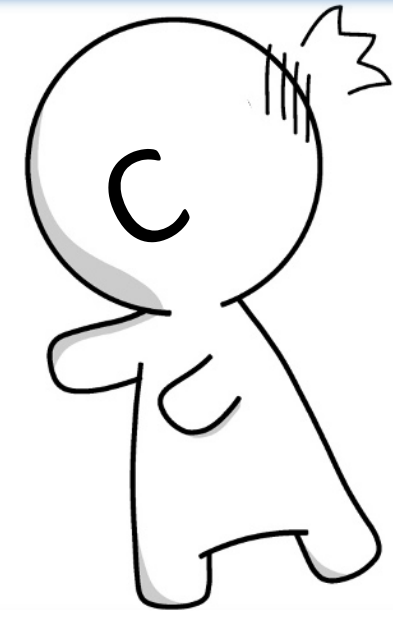

Activity 5

OPPORTUNITIES/CHALLENGES LANDSCAPE

Place the models on the
landscape...

Opportunities

Challenges

SHARE THE MEANING

.... of your model to your group

Activity 6

Build a model of your
Aspiration for a
resilient, post-COVID
Singapore

COULD DO...

Build a model of What
you **Could Do** towards
realising these
Aspirations...

SHARE THE MEANING

.... of your model to your group

reflection
